CARNIVALE

What a fantastic event. Thanks you to everyone who was able to come and support our wonderful day.

In particular, I would like to thank Mrs Scerri who coordinated a very dedicated group of teachers to get the whole event organised. I'm sure you can imagine the time and effort involved in getting an event of that scale planned and completed is phenomenal. I'm sure the Year 6 students will appreciate your efforts when they sit down at their upcoming Year 6 Farewell.

WELL DONE EVERYONE!

INAPPROPRIATE BEHAVIOUR

Unfortunately there have been a number of *parents* who seem to think it is OK to verbally abuse each other outside the school, in full view and hearing of many students.

Two of the school's core values are Respect and Responsibility. These values must be modelled and upheld by everyone in the school community if we are to teach our student how to act when things don't go right. It is particularly important that, as parents, carers and teachers, we are able to model what good behaviour looks like. I hope that we don't have any further occasions where parents are behaving badly in front of children.

CAMP

Although the forecast is for cooler weather on Wednesday there is little chance of rain predicted. This means that camp will go ahead as planned this Wednesday, Thursday and Friday. The

children are all very excited as a wonderful 3 days of activities have been planned.

Please make sure that ALL clothing and belongings are clearly marked with your child's name.

PS - Don't forget to pack your toothbrush.

Principal
