Final Newsletter for 2017

This will be the final newsletter for this year.

I would like to take this opportunity to say farewell to all of you and thank you all for making the last four and a half years the most rewarding and enjoyable time of my 37 year career.

In particular, I will miss the children as they are the reason for every teacher joining the profession. The warm smiles, happy faces, high fives and the occasional hug will be greatly missed.

My wife and I are looking forward to spending many hours with our grandchildren and travelling overseas. Nowra East Public School will be held dear to my heart forever. Merry Christmas and Happy New Year everyone.

New Demountable Classroom

Site work started last week for the location and installation of the new demountable which will replace the space provided for the Wellbeing Hub that will commence next year. The demountable will be located next to the breakfast club and will be ready for the student to use at the beginning of next year.

Uniform Shop

The ladies from the uniform shop have advised that they will be open for business from Monday 30 January each day until Thursday 3 February 2017 from 8.45 until about 10.30.

A limit will be placed on the number of uniforms that can be purchased as we need to ensure there is enough stock for everyone who needs it. Orders can be placed if additional uniforms are required. Laybys can be placed from now until Thursday 15 December 2016.

Term 1 2017

Please note that school resumes for students on **Monday 30 January 2017**. All students need to return to school on that day. Kindergarten students are the exception to this and parents and carers will receive separate information about which day their child is to start and what time they are to be picked up.
