Nowra East Public School Values: Safe, Responsible and Respectful Learners

Week 9 Term 2 2018

Dear Parents and Carers

This Wednesday 27 June will be Parent/Teacher Interviews and the Nowra East P.S Let Me Entertain You Show! Please come and purchase tickets at the office or at the door on the night, cash only on the night. It will be a great show.

Students will meet in the Preschool before they perform.

Excursions

The Lorikeets and the Rosellas visited Marriot Park and Flip-Out.

We had a lovely outing to Marriot Park where we played lots of fun games and had a treasure hunt to find things around the park. It was cold and cloudy but everyone enjoyed their time. After the park we went to McDonalds so students could redeem their well earned encouragement award vouchers. Each of them ordered their own food and spoke very respectfully to the staff and manager at the counter. We had a great time at Flip-Out with everyone showing our school values. The students received compliments for their wonderful responsible behaviour around other kids at the venue. Well done Lorikeets and Rosellas.

Please note change of date of our NAIDOC Week assembly. It will be **Monday 2 July 2018 at 10am**. Please come along- everybody WELCOME!

The Stage 3 Excursion to Greenfield Beach Vincentia

On Friday, 15 June, the Bandicoot, Dingo, Possum and Platypus classes went to Greenfield Beach Vincentia for the science excursion. The weather was fine and sunny. Our guides, Nikki and Ben greeted us at the park and after a quick bite to eat, we set off exploring the local area.

We conducted scientific experiments relating to wind speed, air temperature, soil moisture and light levels. We fossicked for minute creatures in leaf litter and looked for evidence of larger animals, like bandicoots, possums and kangaroos. We also camouflaged ourselves and went bird watching on the beach. With great behaviour and a positive attitude towards learning, we had a great day. I am sure that this is one day our students will remember for some time to come. Well done, Stage 3.

Wombat Class

Miss Henry's class doing yarn circle time, learning about spaces in writing and doing singing with Mr Anderson.

Change of routine

If there is a change of routine and you need to collect your student early for any reason, parents will need to come to the front office and collect an early leaver slip then go to the class to collect your child.

Teachers will not release students into parents care unless they have a printed slip from the office. This is to avoid unnecessary phone calls to the classrooms during teaching time. We hope you understand.

Are you frustrated with your child's behaviour? Are you looking for some answers? Please come along to the Circle of Security.
